

Invitation to submit an expression of interest (Phase 1)

Dear Sir or Madam,

FOTEC Forschungs- und Technologietransfer GmbH (“FOTEC”) invites interested companies to participate in this selection process to identify partners in the field of ‘chemical propulsion’.

The aim of the process is to select suitable partners for the financing and/or technological development, as well as the commercial exploitation of existing technologies.

The process is structured in two phases. In Phase 1, interested companies are invited to submit an expression of interest.

Documents to be submitted (Phase 1):

- Legally binding signed declaration of interest and confidentiality
- Details of the company’s identity and structure
- Demonstration of technical and economic capability
- Description of the intended role (in particular as a financing and/or development partner)
- Brief description of the interest in the subject matter

Deadline for submission of the expression of interest:

no later than 18 May 2026, 10.00 am

Submission:

electronically by email or by post to the contact person

Contact person:

MMag. Dr. Claus Casati, Solicitor

Mariahilfer Straße 1b/17, 1060 Vienna

Email: office@casati.at

The language of the procedure and the contract is English. All documents must be submitted in English.

FOTEC reserves the right to invite a selection of interested parties to participate in Phase 2. There is no entitlement to participate in the further procedure.
